

TEXAS HIGH SCHOOL RODEO ASSOCIATION  
REGION VII  
2010/2011 Donation Opportunities

Region VII of the Texas High School Rodeo Association is a member of the National High School Rodeo Association. The purpose of the National High School Rodeo Association is to promote the sport of rodeo and to promote the highest type of conduct and sportsmanship and expose its positive image to the general public. Its purpose also includes preserving the Western Heritage, offering a privilege of family bonding, offering an opportunity of continuing education, and maintaining the highest regard for the livestock.

There are high school students from ten regions in the state of Texas that compete at the region level in order to continue on and compete at the state level, and from there, on to the National level.

Region VII will be awarding numerous prizes to the high school students who finish in the top of their event. The prizes will be paid for with the help of donors, the members, and various fundraising activities. In addition to these prizes, the region assists the members who make it to state to compete, as well as to the national level to represent the State of Texas. This past year, we are also proud to be able to give all the seniors who completed a scholarship application and submitted their college courses with a \$500 scholarship from our region.

Donations from business and individuals greatly help Region VII in meeting its goals. Donors may choose the amount of donation and the event:

Saddle Donor	\$1,000.00
Event Donor (excludes saddle)	\$ 750.00
Buckle Donor	\$ 300.00

During each rodeo, donors will be recognized.
